

Assistant Superintendent- Midlothian Country Club

Midlothian Country Club is a private golf club, located 20 miles southwest of Chicago in Midlothian, Illinois. The historic club was founded in 1898 and has hosted a number of professional and amateur championships including Western Open Championships, Western Amateur Championship, and a US Open Championship. The greens and fairways consist of bentgrass/poa. All 82 bunkers were renovated by Raymond Hearn in 2022 and now feature Pro / Angle Sand for increased playability and easier maintenance. The tee-boxes were lengthened for added yardage as well as new sightlines and shot-making options. The greens and grounds department employs approximately 20 people during peak season. Our goal in the golf course maintenance department is to focus on life/work balance and to grow our assistants to become superintendents in the future.

Position Summary:

The Assistant Superintendent is responsible for supporting the successful operation of the golf course maintenance department. The Assistant Superintendent works closely with the Golf Course Superintendent on capital improvement expansion projects, as well as interaction with the crew, foreman, and equipment manager

- Provides agronomic direction to the crew to maintain the golf course at the highest quality possible at all times
- Execute chemical/fertilizer applications and keeping accurate application records
- Irrigation maintenance and programming
- Assist the superintendent with operation and labor management
- Responsible for assisting with hiring, training, and staff development
- Responsible for tree maintenance and removal

Qualifications:

- Positive attitude and great communication skills
- Team player that is able to foster relationships with employees, members, and vendors
- 2 or 4 year agronomy certificate/degree
- Must obtain Illinois pesticide applicators license within 90 days
- 2-5 years of golf course maintenance management required

Compensation and benefits:

- \$60,000-\$85,000 a year depending on experience level
- Annual and holiday bonuses
- Health, dental, vision, and life insurance
- Two weeks paid vacation
- National and local chapter dues
- Golfing privileges
